

Liability Waiver

Independent Security Audit — Liability Waiver

Auditor: Anuj Panthi

Email: anujpanthi66@gmail.com

Contact: 9765875727

1. Non-Intrusive Testing

The audit will consist solely of external, non-destructive, and authorized testing.

2. Assumption of Risk

The organization acknowledges that standard security scans may cause minor unavoidable effects such as log entries, firewall alerts, or temporary rate limiting.

3. Consultant Responsibilities

The auditor will follow safe methodologies and comply with all agreed limitations.

4. Organization Responsibilities

- Provide accurate system information
- Approve the full scope in writing
- Monitor systems during the audit

5. Indemnification

The organization agrees not to hold the auditor liable for issues not caused by permitted actions.

A non-sensitive version of the report may later be published on the auditor's portfolio with full credit to the auditor.
